VOLUME 38

FRIDAY JANUARY 10th 1941

NUMBER 37

Funeral Services For Hugh Allred

Laurel Hugh, 33 year old son of Mr. and Mrs. Marlin Allred passed away Saturday morning last at 9 a.m. in the Lethbridge Hospital from a stomach ailment, and his funeral services were held in the 2nd Ward Chapel Monday afternoon at 1:30 with Bishop Walker in charge. Joseph McLean was in charge of the Choir and the hymns were "Not Now but in the Coming Years," "The Lord is My Shepherd" and "God Moves in a Mysterious Way." Special musical number were a Ladies Quartette by Mesdames L. L. Palmer, Blanche Scoville, Ruth Salmon and Emma Dahl, and a Mixed Quartette Mesdames Dahl and Salmon and Moses Fromm and Delbert Oler.

The invocation was offered by Elder Ezra Paxman and the benediction by Elder Wm. Jensen.

Elder Clarence Allred, a relative of deceased was the first speaker, giving a little history of the Allred family in Nauvoo and in the early years of the settlement of Utah. He said the descendants of those Allred men had reason to be proud of their progenitors, and he urged them to all live worthy of the birthright they had received from them. He said the Church offers opportunity for all, if we will take the trouble to do our part.

L. L. Palmer of the Bishopric was the next speaker, referring to the difference between the views of the Latter-Day Saints and some other denominations regarding death, resurrection, a life beyond the grave. Eternity is an opportunity for eternal progression, and because of our knowledge of this doctrine we could be the best people on the earth.

Elder Rulon H. Dahl spoke of the effect of such gatherings on our feelings of sympathy for one another. Speaking of proof of the resurrection, all we need to do was to look at nature and we could see all the proof we needed of the truthfulness of this doctrine.

Bishop Walker offered words of comfort and consolation to the bereaved family and on behalf of the family thanked all for their assistance and thoughtfulness.

Interment was in the local cemetery with Christensen Bros. in charge.

Union Jacks Beat Fairfield 51-41

In an interesting exhibition basketball game on Dec. 27th, the Jacks downed the Fairfield Independents by a score of 51-41. Stepping out in the early minutes of the game the Jacks built up a comfortable lead, which stood them well in hand, as in the second period the visitors pounded the bank mercilessly and cut down the Jacks lead bit by bit until toward the end of the game players and fans alike wondered whether the edge would be maintained. It was and everyone heaved a sigh of relief when the final bell went to end the game with the Jacks still 10 points up.

Nalder was the big noise of the game when he got himself twenty-five points, 20 of them in the first half. For the visitors Doyra was high with 16. The game was well played all the players showing fine sportsmanship and they seemed to enjoy it as much as anyone else.

Players and scores were as soon.

WEDDING BELLS COSTLEY — FRASER

The wedding was solemnized on New Year's day at the home of Mr. and Mrs. A. F. Dahl, in Raymond, of Douglas Costley, youngest son of Mrs. N. W. Peterson, and Miss Louise Fraser, of Long Beach, Cal. Bishop J. O. Hicken officiated at the ceremony, which was followed by a wedding supper for the bride and groom and those who were present.

The groom is at present enlisted in the Royal Canadian Engineers stationed at Camp Petawawa, Ont., and is home on 20 days leave. His acquaintance with the bride was made during the time he attended school in California and they decided to start the New Year right.

They will live in Pembroke, Ontario, and we join with their many friends in extending best wishes for a long and happy married life.

NEWS NOTES

Tonight the High School Basketball team are hosts to Leavitt in the first home game of the High School 'B' division.

Bill Rouse is confined to his bed with another severe attack of diabetes. We wish Bill a Happy New Year and a speedy recovery.

Mr. and Mrs. Harold Stevens returned from Edmonton Xmas Eve, a very welcome Christmas present for the children. Harold is reported to be improving steadily.

Congratulations to Grandmother Dyson on her 80th birthday, reached Dec. 28th. She is still enjoying pretty good health for one her age. We wish her many happy returns.

President Roosevelt has presented a defense budget of 17 billion dollars to the United States Congress and more than likely it will be passed without much question in view of the seriousness of Britain's war need, which President Roosevelt has made it very plain he expects to back to the limit. This sum did not, however, include what is expected to be spent in the aid to Britain's program.

New Year's Greetings

We are glad of the opportunity to greet the people of the Taylor Stake of Zion, and all our neighbors with a New Year's message for 1941.

At this season of the year we have all experienced an urge, and made a sincere effort to promote peace, happiness and joy in our families, and amongst our friends and neighbors, extending in radiating circles to all mankind.

A sincere appreciation of each other moves in upon our senses.

We do recognize the faithfulness and willing service of our people, to the work of the Lord. Nowhere in the world, we believe, could men and women be found, more worthy of trust and the responsibility of leadership.

The lives and vision of our Church leaders, are a testimony of the work of the Lord to us.

We extend our sincere greetings in a spirit of good will, to one and all of you. We wish for

you, success in all righteous endeavors throughout the coming year. There is every reason for thankfulness in our hearts, that we have had bounteous harvests in this goodly land, that we have been spared the immediate horrors of war and that we can face the future with faith in our Heavenly Father, the Creator of all. We should go calmly forward with our daily work and worship in the New Year.

Let us say to all our people—and to all those living in our communities—in the words of Rudyard Kipling:

"Though all we know depart
The old commandments stand.
In courage keep your heart,
In strength lift up your hand."

Taylor Stake Presidency,

T. Geo. Wood,
Heber F. Allen,
Melvin T. King.

Boost The School Band

We are pleased to report that the ground work respecting the organization of our High School band is just about completed and that some instruments are in course of being repaired and others about ready to be ordered.

The Rotary Club has assumed the responsibility of raising \$200.00 toward the financing of the needed instruments, and to this end, a Booster Dance is planned for January 24th in the Opera House. The sponsors hope that the big hall will be filled for this dance, and assure all that an evening of rare enjoyment will be provided for all who attend.

Tickets are being sold through the schools, and while the ticket price is 25c. per person we would like Raymond citizens to bear in mind that this is a minimum charge, and that any contribution exceeding the 25c. will be gratefully received and will all go for the purchase of instruments.

We are constantly reminded of the need of a band, and especially now with the nation at war, a good band with its military music does much for the spirit and morale of the people. Every Dominion Day we need a band for our celebration, and its lack curtails the success of the day to quite an extent.

Please remember the date, and make it a date now to attend, and besides boosting the band have a real evening of fun and enjoyment. See you on the 24th.

NEWS NOTES

Bob Zobel, who has been studying aeronautics in Montreal for some months past has enlisted in the air force. This news was contained in a letter recently received by his parents Mr. and Mrs. W. H. Zobel.

Pres. T. Geo. Wood, L.L. Palmer and Mrs. J. T. Heninger addressed the Genealogical program in the Raymond 2nd Ward the last Sunday of 1940. A large crowd was present at the meeting.

J. W. Evans Heads Board Of Trade

At the Board of Trade meeting Monday night, with a very small attendance, the Nominating Committee brought in their report as instructed at the last meeting.

President—J. W. Evans.
Vice-Pres.—John F. Salmon.
Sec.-Treas.—A. W. Jones.

Chairman of Membership Committee—Lloyd MacPhee, who will choose his help.

This was as far as the report was made, it being suggested that a membership drive be put on, and when the list is presented to the Nominating Com-

mittee, a selection will be made for the other officers, and a report made at the next meeting on Monday, February 3rd.

A general discussion followed regarding projects for the coming year. Amongst important things mentioned were a civic pride and loyalty campaign, including a better support of local industries and enterprises, better water supply for the town, a sewerage system, and better roads through town on the Wellington-Craddock road, which road it is understood the Municipality will improve a great deal during the present year.

Mrs. Betsey Dearden Laid To Rest

Funeral services over the remains of Mrs. Betsey Dearden, aged 69, were held in the 2nd Ward Chapel Wednesday afternoon with Bishop J. H. Walker in charge. Milton Strong conducted the singing with members of both ward choirs present and Mrs. Emma Dahl at the organ. The building was filled with people from all over Southern Alberta, who had gathered to pay their respects to a willing assistance to the needy woman who since her arrival in Raymond in 1914 had administered in time of sickness and death in nearly every home in Raymond. She was a very efficient nurse and as one speaker expressed it had acted as a welcoming committee of one to hundreds of babes born in the district, besides answering thousands of calls for assistance at the bedside of adults when a doctor was not obtainable at the moment. Grades 5, 6 and 7 in two rooms in each grade of the Public School attended the funeral in a body, and they together with the large gathering of adults made a congregation of between 600 and 700 people. The casket and rostrum was

laden with floral offerings from the many friends of this good lady.

Elders C. R. Wing and N. J. Anderson, missionaries to England, where they met deceased related some incidents and experiences that took place in the old land, and said that the same spirit of service that actuated deceased in Canada had kept her busy in England, rendering her willing assistance to the needy there. Besides these two Elders D. A. Bennett, a neighbor for twenty-six years, J. Wm. Evans, bishop of the Raymond 2nd Ward when Mrs. Dearden arrived in Raymond, and Bishop Walker, bishop now of the Raymond 2nd Ward paid tribute to her fine character. All the speakers spoke of her jovial spirit, the way she had of bringing sunshine into the darkest hour of sickness and especially of her willing and unselfish spirit in answering every distress call regardless of time, weather or circumstances, and staying where she was able to serve as long as was needed. Their sentiment was that her life, and the large attendance at her funeral was evidence to anyone that she had kept the great commandments 'Thou shalt love the Lord Thy God with all thy heart, mind, might and strength, and thy neighbor as thyself,' and that in so doing she had laid up for herself treasures both here and in heaven, and that as a large crowd had gathered to express their appreciation of her life here, there would be a large crowd of those whom she had assisted here, waiting to welcome her in the spirit world. Bishop Walker said that in proportion to her means she was one of the very best contributors in the ward.

Chas. E. Fawns was in Lethbridge on Thursday of last week.

9339 PIECES WORKED BY RED CROSS

Following is the report of the local Red Cross group for the past year. It shows a year of activity and the ladies in charge of this part of Red Cross work are to be complimented for the work achieved:

KNITTING
Socks, 399 pr. Sleeveless Sweaters 235; Scarfs 100; Mitts 51 pr; Helmets 48; Wristlets 6 pr.; Turtle Neck Sweaters 18; Seamen Socks 4 pr. Total 861.

SEWING
Pyjamas 197; Hospital Gowns 91; Pneumonia Jackets 60; Pillow Cases 197; Bed Jackets 36; Dressing Gowns 11; Sheets 76; Towels 138; Handkerchiefs 96. Total 902.

BANDAGES
Triangle 36; Muslins 377; Flannelette 352 Total 765.
Small pads 1200; Surgical Dressing 5580; Perineal Dressings 180; Blankets 20; Quilts 30; Rugs 1.

For bomb victims 270 pieces of clothing.

Red Cross Rooms open again on Jan. 9th 1941.

Lord Baden-Powell Passes Away

Lord Baden-Powell, a name synonymous with Boy Scout work around the world is dead, but he has left a monument that it is hoped will endure forever. A month of mourning in scouting circles has been decreed and either this coming Sunday or the one following memorial services will be held for this great boy man known for his love of and appreciation of youth.

James Sabey, Dick Blaxall and F. V. Frawley of Magrath were Raymond visitors Tuesday. The latter is Magrath's new printer who is locating there, coming from Saskatchewan.

Lee had a packed house for the Preview on New Year's Eve and besides enjoying the fine picture, everyone present was interested and excited about the drawing for the beautiful prizes given away.

ANOTHER YEAR — ANOTHER CHANCE

Happy New Year folks. Since our last issue a brand new year has been ushered in and each of us have a new page in the book of life to work in. Our sincere wish for this New Year is that you all may enjoy health and happiness and a portion of prosperity that will enable you to enjoy life and to render the service that you desire to render to your neighbors and friends. It is our impression that a time has come in the history of the world when each of us will be required to give more in the way of service than has been the accustomed practice for a long while. We dislike the mention of war. But we are at war, and the facts must be faced.

Those of us who listened to the message of President Roosevelt to the 76th Congress of the United States on Monday, could not but have been impressed with the concern with which the President viewed the future. Not in a spirit of hate, fear and trembling, but in a spirit of firm resolve to keep alive the democratic spirit of the world. He called on the Congress and the people of the United States to prepare for more in the helping to wage this war, than they had been asked for to date and said that the United States was facing today one of the vilest threats by those tyrants who are seeking world domination than they had ever faced.

In his talk, he unquestionably echoed the thoughts of every statesman and freedom loving citizen of the world. Surely not a very pleasant picture as we face a New Year, and yet, an existing fact and a menace that must be met. And still, none of us would want to forecast the turn of world events during 1941. In the prosecution of the war, miracles have been wrought in 1940, and even greater miracles will be effected in 1941.

One cannot help but feel that dom will find in their cause a sustaining strength that the vassals of the oppressors cannot feel. As the Allies brace themselves for the conflict, every man must feel back of him the faith and prayers of the millions of free men and free women of the earth, who see in the present lust for power of the dictators, threat to that freedom of thought and action which has been the prize of all past conflicts. Our freedom will be retained, and it will be retained, because it is God's decree.

Possibly for our New Year's resolution we should resolve to uphold and support those leaders who are championing the cause of right, and for our New Year's wish we should wish and pray for the strength to carry on cheerfully and uncompromisingly, dedicating ourselves and all we have to the cause of freedom, and to the securing for our children and our children's children a measure of peace, health and prosperity that we ourselves have been denied because of the distorted vision of a few, who have assayed to themselves the power of superiority and world rule.

Let the past be past. Let us start anew in a greater spirit of brotherhood and better understanding than we have ever experienced before.

NEWS NOTES

Henry Campbell of Hill Spring has spent the past few days visiting with his son Edward, and family here in Raymond.

It goes without saying that the Capitol was packed when Lee played Santa Claus and gave the kids a Free Matinee during the holidays. Thanks, Lee.

Mr. and Mrs. Fred Burton were visitors here last Thursday and Friday, guests of the Rodeback families.

Sunday and Monday morning witnessed a decided reduction in Raymond's population as our students returned to their studies, some at Provo, Utah, some to Olds, Edmonton and Calgary, and possibly other points. More than 20 young people from our town are attending colleges and schools at various points.

SIX RAYMONDITES AT THE B. Y. U.

(Special to the Recorder)
Provo, Utah, Dec 30.—Six Raymond students are among the 28 members of the Canadian club at the Brigham Young University, according to lists released by Registrar John E. Favey. They are LeRay Anderson, Maurice Heninger, Margaret Nilsson, Durell Romeril, Shirley Taylor and Robert Walker.

The Canadian enrollment is as follows: Raymond 6, Cardston 5, Lethbridge 4, Barawell, Magrath, and Toronto, Ont., 3 each, Taber 2, Claresholm 1, & Wolford 1. This is part of a B.Y.U. enrollment of 2359, of which 47 are from foreign nations, 551 from states outside Utah, 1,745 from Utah, and 7 from U. S. territories.

Note: We understand that the Misses Virginia Zabriskie and Margaret Brandley have enrolled at the B.Y.U. for the current term which would make 8 from Raymond.

NEWS NOTES

Nova O'Brien spent a few days in Calgary last week leaving here Thursday.

We appreciate receiving news items of local interest. Please hand such items in at the Recorder Office or phone 24.

J. E. Anderson is moving his plumbing business into the O. H. Snow block recently vacated by the Calgary Power Co. office.

Mr. and Mrs. Ben Johnson of Barnwell were Raymond visitors Friday evening and Saturday with members of the Allred family.

Help us to have a better paper by giving us your items of news and also by giving us your support in getting your printing and paper supplies from The Recorder.

Minor damage was done in a collision on Broadway just at noon on Thursday. A car going up the street hit another car as it was backed out from the curb. The rear fender of one car had quite a dent put in it and the bumper of the other was slightly damaged. A number of people mostly school children gathered to see the kinks.

CANADIAN RED CROSS

NEWS NOTES

J. H. Walker, M.L.A., left Thursday for Edmonton to attend a meeting of the Independent group of the Provincial legislature. One of the important items at the meeting will be the choosing of a leader before the session meets in February.

Pauline: "Men are the most changeable creatures on earth."

Josephine: "What makes you think that, dear?"

Pauline: "Well, only a fortnight ago, I was desperately in love with Dick, and now I simply cannot stand him."

A large delegation from Raymond attended the Tri-State M Men and Gleaners Banquet and Dance in the Marquis Hotel Lethbridge, on Dec. 27th. All were agreed that this was one of the finest tri-state gatherings ever held. About 275 in all were present, including representatives of all three States.

J.D. Brown hit a horse on the road about three miles south of town Wednesday morning. All the damage was to the grill of the car but it took the better part of the day to get it straightened out again. With roads slippery and brakes almost useless, the stray animals on the roads create a real hazard.

A picture of the 2nd Anti-Tank Regiment, recruited in Southern Alberta and in which are several Raymond men, is in the window of the Raymond Pharmacy. Amongst those we were able to recognize with the help of some who knew them better were, Duncan Rusk, Harold Lee, Frank Anderson, Leonard Flexhug, Jim Adams of Warner. The picture created a lot of interest Wednesday as people were passing up and down the street, especially when the weather moderated so that citizens could stop and examine it without being chilled.

MODERN, EXPERIENCED BANKING SERVICE.... the Outcome of 123 Years' Successful Operation

EXPERIMENTAL STATION, LETHBRIDGE

WEEKLY LETTER
New Year's Greeting

It is indeed hard to foresee what 1941 has in store for the world, for Canada or for each one of us as individuals. Many unusual things can, and probably will, take place. However, the earnest hope and prayer of all is that the tragic events now taking place in the world will have a speedy ending and the result will be a lasting and permanent peace.

As farmers we have difficulties to face and problems to solve. These cause us worry and sometimes irritation but in facing the New Year let us do so with optimism and good spirit. Millions of people in Europe are facing hunger, hardship and death. In Britain they are encountering their problems with courage and cooperation of the highest order.

We are a nation at war and yet we live in comparative peace and plenty. Let us then be thankful for the bounty of our harvest and our ability to produce food in plenty. Let us minimize our troubles and enter the New Year with a spirit of optimism that will override our difficulties. Let us co-operate one and all to the end that our agriculture may continue to fulfill its important duty in war & peace.

It is in this spirit that the staff of the Experimental Station extends a cheerful New Year's Greeting to all its farmer friends with a wish for success and a fair measure of prosperity in 1941.

BARLEY VARIETIES

On account of the prospects for low wheat prices next season and a probable increase in the number of livestock fed, there is likely to be an increase in the acreage sown to barley. This being the case, a brief discussion on the characteristics of different barley varieties should be of interest at this time, as varieties differ widely not only in yielding capacity but also in strength of straw, time of maturity, susceptibility to smut, etc.

For the past three seasons variety tests of barley have been conducted by the Lethbridge Experimental Station at several different points thru out the district and the results of these tests have provided a good opportunity to determine the relative merits of different varieties under various conditions. Under irrigation or in districts where rainfall has been plentiful, Trebi has been the highest yielding variety. It is a six-rowed rough awned variety. Its chief disadvantages are its weakness of straw and susceptibility to smut. Samalta is also a good variety where moisture is plentiful. It is a two-rowed smooth awned variety, possessing good length and strength of straw but ripens from a week to ten days later than Trebi. Olli, Rush and Regal are three good six-rowed varieties of the smooth awned type. Regal generally outyields the other two but is much more susceptible to smut. Byng is also a six-rowed variety, but of a smooth awned class. Hannchen is usually a comparatively low yielding variety of the two-rowed rough awned type. It is quite short in the straw and stools very heavily. Rex is quite similar to Hannchen in all respects excepting that it has smooth awns.

Where barley is grown for malting purposes, O.A.C.21 is the best variety to choose on account of the fact that it is preferred by the maltsters. It is a comparatively low yielding, however, and better varieties than it can always be chosen where barley is grown only for feed. Wherever earliness is the characteristic most desired it is

barley variety. Olli is the best one to choose. It is decidedly earlier than all other varieties included in these tests, being nearly two weeks earlier than Trebi at many points. Its yield was lower than that of the other varieties included in these tests, but still sufficiently high to lead one to believe that it might be used to advantage where late seeding is necessary for the control of weeds.

Nippy weather has held sway for the past week and heavier coats, etc., have been the order of the day. Luckily we have had no driving bizzards which often precede cold weather.

HELP SMASH HITLER

Invest regularly in War Savings Stamps and Certificates and help Canada to help Great Britain rid the world of Hitlerism for all time.

"You serve by saving," and here is what your regular war savings will do for your country, not to forget the benefits you, as an individual will get. \$5 will bring down a German plane for it will buy one round of 40 mm. anti-aircraft shells. \$5 will stop a Hun with five machine gun bursts.

\$5 will let a soldier fight for you with 100 rounds of rifle ammunition.

\$10 will stop a tank with one round of 18 or 25 pound shells. \$20 buys a cannonade of four 3.7 inch anti-aircraft shells.

\$20 buys two complete rounds of 4.5 inch Howitzer shells. \$50 buys enough fuses to explode 10 shells or three complete 6 inch Howitzer shells.

\$75 will provide a depth charge to drop on a German U boat.

\$75 will provide a 500 pound bomb to drop over Berlin

or Berchtesgaden; \$100 buys three 9.2 inch Howitzer shells or 2,000 rounds of service arms ammunition. —The Watrous Signal.

Get your printing done in your home town. The Recorder can give you quick and efficient service and the quality of our work is second to none. The Recorder is at your command day in and day out; an established and valuable local firm. If you appreciate a printing plant and newspaper in your town, don't buy your printing requirements from outside companies.

on left hip. \$2.00 reward for return to A.F. Dahl, Raymond.

YOUR INCOME TAX

HOW? WHEN? WHERE?

WHO? HOW MUCH?

THIS YEAR, almost every man and woman in Canada will share the burden of paying for the war. A million new taxpayers will pay who never paid before. A personal budget payment plan is available to old taxpayers who are faced with substantially increased income taxes.

Canadians are asked to shoulder their share of the war effort cheerfully and willingly. By paying your income tax regularly you help to speed the production of war material, and bring the day of victory closer. Figure out how much tax you will have to pay, and arrange to pay promptly when due.

Pay by instalments—the easy way—and save interest.

Cut out this page and keep it for future reference.

WHO PAYS INCOME TAX?

If you are a single person without dependents, and your income in 1940 was more than \$750.00 you pay general-income-tax.

If you are a married person without dependents, and your income in 1940 was more than \$1500.00 you pay general-income-tax.

If you are a married person with children, you are allowed \$400.00 exemption for each dependent child or grandchild, in addition to the \$1500.00 exemption.

NOTE: In addition to the general-income-tax you pay National Defence Tax on your total income without any exemption if you are single and your income goes over \$600 or if you are married and your income goes over \$1,200.

HOW DO YOU PAY?

Your income tax may be paid in the following ways,—

1. **The Present Method:** At least one-third of the tax to be paid by April 30th, the balance, with interest at 6% from April 30th, to be paid by August 31st. On any balance unpaid after August 31st, the interest rate will be 8%.

2. **The Proposed Method:** In 8 monthly instalments without interest. To take advantage of this new way of paying, the first instalment must be paid on or before January 31st. You must pay at least one-third of the estimated tax in four equal monthly instalments, in January, February, March and April, i.e. 1-12 of the estimated tax in each of the said 4 months. The remaining two-thirds must be paid in four equal monthly instalments in May, June, July and August, i.e. 1-6th of the estimated tax in each of the said 4 months. (This will be in the amended law.)

3. **The Recommended Method:** This method will not be found in

the law but it is a simple method, namely, in eight equal monthly instalments, without interest, commencing in January.

To take advantage of the monthly payment plan without interest each payment must be made on or before the due dates. Otherwise interest will be charged on the total balance remaining unpaid after April 30th.

EXAMPLE OF INSTALMENT PAYING WITHOUT INTEREST

If your estimated tax is \$60.00 you pay one-third of the tax (\$20.00) in four instalments (\$5.00 each) and the remaining two-thirds (\$40.00) in four instalments (\$10.00 each). Your payments are therefore as follows:

On or Before	On or Before	On or Before	On or Before
Jan. 31	Feb. 28	Mar. 31	April 30
\$5	\$5	\$5	\$5
On or Before	On or Before	On or Before	On or Before
May 31	June 30	July 31	Aug. 31
\$10	\$10	\$10	\$10 = \$60

However it is recommended that you pay your tax in eight equal monthly instalments of \$7.50 each = \$60.00.

Instalment Income Tax Remittance Forms are available at any post office, or any branch of any bank, or the office of the Inspector for your

District, and their use will ensure accurate and proper allocation of your payment. However, you can send in your instalments by ordinary letter with your name and address plainly stated thereon, clearly indicating the division between Provincial and Dominion Tax payments.

HOW MUCH DO YOU PAY?

The general-income-tax is payable on your net income less exemptions.

If you are single, your exemption is \$750.00. Thus if your total income is \$1,000.00 you must pay tax on \$250.00.

The exemption for a married person is \$1,500.00 plus \$400.00 for each dependent child or grandchild. Thus if you are a married man with two children and a total income of \$2,600.00 your total exemptions are \$1,500.00 plus \$400.00 for each child, or \$2,300.00 in all. So you pay tax on \$300.00.

Payment: You may send a cheque, Post Office or Money Order in payment of income tax by mail, to the Inspector of Income Tax for the District in which you reside, made payable to the Receiver General of Canada. Write plainly, and give your name in full, so that mistakes in crediting may be avoided. Do not send money or postage stamps in envelopes.

RATES OF NATIONAL DEFENCE TAX

For a single person

2% on the total income if the income exceeds \$600 and does not exceed \$1,200.
3% on the total income if the income exceeds \$1,200.

For a married person

2% on the total income if the income exceeds \$1,200 with a tax credit of \$8.00 for each dependent child or grandchild.

For 1940 the tax is on one-half of the income and the tax credit is \$4.00.

FURTHER INFORMATION

including the National Defence Tax Booklet and the necessary forms may be obtained from the Inspector of Income Tax for the district in which you reside.

Forms are now available. Form T.1 Special is to be used by individuals who are not in business whose income is not more than \$5000. All others must use the regular form T.1 or in the case of farmers, Form T.1A. Proprietors in business must file, in addition to the Form T.1 Return, an Excess Profits Tax Return on Form E.P.T.1 on or before April 30th next.

Rates of General-Income-Tax which Individuals Must Pay

Your net taxable income is the amount left after you deduct exemptions from your total income.

If your net taxable income is	250 or less the tax is	15 plus 8% on the excess over \$ 250
If between \$250 and \$1000 the tax is	\$ 75 " 12% "	" " 1000
" " 1000 and 2000 "	195 " 16% "	" " 2000
" " 2000 and 3000 "	355 " 20% "	" " 3000
" " 3000 and 4000 "	555 " 24% "	" " 4000
" " 4000 and 5000 "	795 " 27% "	" " 5000
" " 5000 and 6000 "	1035 " 30% "	" " 6000
" " 6000 and 7000 "	1275 " 33% "	" " 7000
" " 7000 and 8000 "	1515 " 35% "	" " 8000
" " 8000 and 9000 "	1755 " 37% "	" " 9000
" " 9000 and 10000 "	2045 " 37% "	" " 9000

For higher incomes refer to the Income War Tax Act.

In addition to the above rates, there is a surtax on all investment income in excess of \$5000.

Also there is National Defence Tax and in some Provinces, Provincial Income Tax.

THE WORLD OF WHEAT

(By H. G. L. STRANGE)

Regent wheat is the latest introduction of the Dominion Rust Research Laboratory.

A very great deal of thought and care, of painstaking experiment and testing, has been expended on this new variety. Besides being resistant to stem rust, Regent in addition has a high resistance to leaf rust. In all round general qualities Regent is expected to occupy a high place; its yield is high, milling and baking qualities acceptable to millers, strength of straw is good and it is at least as early as any of the other rust resistant varieties; so any farmer who needs a rust-resistant wheat cannot go far wrong in trying Regent.

It is interesting to know that this variety represents the culmination of the joint efforts of a number of our Canadian scientists in many fields of specialized work; i.e. our plant breeders, plant pathologists, cerealists, statisticians and cereal chemists, workers associated with the Dominion Rust Research Laboratory, the Board of Grain Commissioners' Laboratory, the National Research Council, our three Western Universities, and the many Dominion Experimental Farms; the efforts of all being co-ordinated by a committee representing these institutions.

Canada can well be proud of Regent wheat, the result of the work of these talented scientists for Regent will add to the income of our farmers, and so to the wealth of the whole of Canada.

Following factors have tended to raise price:—French interests have purchased U. S. flour for the French West Indies—European wheat production expected to be 17 p.c. less than in 1939—Argentina is expected to carry over only fifteen million bushels of wheat into the 1940-41 season

MILK

"ON PATH TO VICTORY" SAYS KING GEORGE

In an Empire broadcast on Christmas day King George said: "The future will be hard, but our feet are planted on the path to victory."

"We have surmounted a grave crisis. We do not underrate the dangers and difficulties which confront us still, but we take courage and comfort from the successes which our fighting men and their Allies have won at heavy odds by land and air and sea."

He thanked the people in Canada, Australia, New Zealand, South Africa, the United States and elsewhere who have "eagerly thrown open the doors of their homes to our children so that they may be spared from the strain and danger of modern war."

In the last war, he said, "the flower of our youth was destroyed and the rest of the people saw but little of the battle. This time we are all in the front line and the danger together and know that the older among us are proud that it should be so."

"Out of all this suffering there is growing a harmony which we must carry forward into the days to come when we have endured to the end and victory is ours."

"We shall need this spirit in each of our own lives as men and women and shall need it even among the nations of the world. We must go on thinking less about ourselves and more for one another; for so, and so only, can we hope to make the world a better place and life a worthier thing."

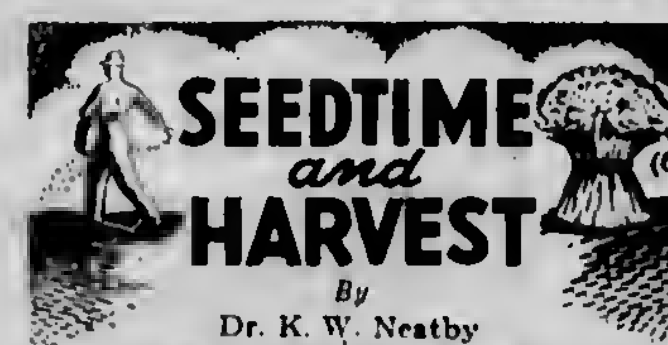

To the empire's merchant sailors and fishermen at sea and in ports throughout the world, His Majesty sent a special greeting.

"You were the first of our civil population to suffer the merciless attacks of the enemy," the King told them. "You have carried on undaunted, maintaining the vital supplies of the empire. Your courage and daring have been an inspiration to your fellow countrymen who are now facing the same brutal assault."

—China is purchasing large quantities of Canadian flour.

Following factors have tended to lower price:—Crop conditions in the U.S. Pacific north west are promising—U.S. Statisticians report that domestic wheat "carry-over" on July 1st may be largest on record—Crops in Russia were good this year and that country is trying to make export sales—Burma is expected to harvest a bumper crop of rice this season

SEEDTIME and HARVEST By Dr. K. W. Neatby Director, Agricultural Department North-West Line Elevators Association

SOIL EROSION

The Agricultural Department of The North-West Line Elevators Association has just published a well-illustrated bulletin dealing with the subject of water erosion of soils. Its purpose is to draw attention to a problem which has, to a large extent, been overlooked by the general public. It has been easy to arouse public interest in the problem of soil drifting, and control practices have met with a large measure of success. Water erosion may be quite as damaging as soil drifting on individual farms, but, since the injury to the soil is often less obvious, it is apt to be neglected.

The bulletin is well illustrated and written in popular style. It deals in a general way with the causes of erosion, with the losses suffered, and with control measures. It contains seven excellent illustrations of fields in the Prairie Provinces which are suffering serious damage. In addition, there are four pictures generously supplied by the United States Soil Conservation Service.

Since this is the only publication of its kind in Canada, it should be read by every prairie farmer. All Junior Club members and high school students should secure copies, since "they shall inherit the earth," or as much of it as is not washed or blown away!

Copies may be obtained from the nearest grain buyer of any line elevator company associated with the work of this Department, or by writing to the Agricultural Department, The North-West Line Elevators Association, Winnipeg. We wish all our readers a Happy and Prosperous New Year, and trust that it may bring "peace in our time."

NEWS NOTES

Shifts at the Sugar Factory changed again Sunday, likely for the last time. It is expected that the last of the beets will be sliced about the 16th.

L. B. Knowlton, manager of Green's Feed Mill in Lethbridge was a Raymond visitor on Monday and was a guest at the Rotary luncheon.

Sam Dyson is crippling around with a lame back, the result of a sprain and then catching cold in it. He has to be very circumspect in his deportment.

Raymond Basketball fans were disappointed Saturday night when immigration law details prevented the Chinese basketball players from coming to fulfill their engagement here. According to information they were given permission to come into Canada for the game, but officials warned them that they may not get back. The game was accordingly cancelled.

Mrs. Harry Hironaka left Thursday on the beginning of a journey to Japan to visit with her aged mother. On her return her son will accompany her home.

The Capitol was packed Saturday night last when the management gave away a new 1941 mantel radio. Emil Klause of Raymond was the lucky winner on the second draw, the holder of the first ticket not being present.

Mr and Mrs. L. L. Anderson were at the Temple Tuesday when they took their daughter Jean up for baptism, celebrating her eighth birthday. Dennis May whose birthday was on Monday accompanied them for the same purpose.

Regular Stake Priesthood meeting was held on Dec. 29th. Frehlin Dahl was sustained as First counselor in the Stake Y.M.M.I.A. with Leonard Watson retained as second counselor to complete the re-organization of this group.
